We invite cancer patients who are in treatment to a safe place to find hope during a time of change and challenge. Using group support, relaxation and visualization techniques we hope to create resilience and a place of “time out” from doctors appointments and hospital visits.

The facilitators are Hope Lipnick MA, LPC, CHTP and Michael Rose, LCSW, LMFT.

For additional information, please contact Michael Rose via email at mrose@jfshouston.org or by phone at 713-667-9336 x115.

This group has been made possible by a gift from Jeff Goldstein in loving memory of his mother Chaya Risha bas Avraham, Rita Goldstein^{z”l}.
